Re: Church of Scientology v. Armstrong

Dear Mr. Maguson:

This letter will confirm our conversation of September 20, 1984 wherein it was agreed that my client would be given until October 1, 1984 in which to file a Motion to Compel production of documents.

The extension was necessary due to the fact that the parties have been unable to meet and confer pursuant to Rule 339 of the California Rules of Court.

You further agreed that you will telephone me on September 24, 1984 to arrange a telephone conference call between you, John Peterson and myself.

Very truly yours,
